PUBLIC SERVICE  
COMMISSION

**Administrative Case No. 355 Monitoring Requirements**

**Question 1.** Whether it is facilities-based or resale-based and the extent to which it is using its own facilities or is using unbundled elements or resold services obtained from an incumbent LEC.

Response ALLTEL Kentucky, Inc. is a facilities-based ILEC.

**Question 2.** Whether it plans to provide business and residential exchange and access service and the dates these services will be available. This information will be required only at the time of initial operations.

Response ALLTEL Kentucky, Inc. currently provides business and residence exchange and access.

**Question 3.** The number of access lines by type of customer served (business and residential).

Response See enclosed copy of Annual Report (Form T, schedule VIII).

**Question 4.** A description of existing facilities

Response ALLTEL Kentucky, Inc. currently has exchange network facilities including OSP and Switches in all exchanges served by ALLTEL Kentucky, Inc.

**Question 5.** A description of plans for future construction

Response Future construction will basically consist of maintenance and upgrade of existing facilities.

**Question 6.** Traffic volumes by month for the six-month reporting period.

Response See enclosed copy of Annual Report (Form T, schedule IX).

**Question 7.** Areas served.

Response No change from prior years' filings.

**Question 8.** Maps of service territory

Response No change from prior years' filings.
